

## **Vital Signs Update: April 2014**

We are pleased with the conversations occurring in Lincoln around the [Lincoln Vital Signs](#) findings. This is the information phase, making people more acquainted with the areas where Lincoln is performing very well and areas that are changing within our community which may need to be addressed. Experts advise not to rush this phase of information sharing and the nurturing of discussions across sectors of our city.

### **Please Participate in this Short [Survey](#)**

We would appreciate your participation in an online survey as we continue our dialog about Lincoln. Your opinions will help guide future conversations. There are only five questions and this survey should take less than 15 minutes of your time. Please [complete our survey](#) and share what you are thinking. You may forward this email and the survey link to others who might like to participate also.

Several [community presentations](#) on Lincoln Vital Signs have been completed, including meetings with the United Way Board, their Distribution Teams and Funded Agencies. A list of scheduled and completed presentations is at [www.lincolnvitalsigns.org/](http://www.lincolnvitalsigns.org/). You may also visit the site to schedule a presentation for your organization.

Thank you for your interest and for your help in spreading the word about the findings in this report. Encourage your friends and colleagues to [register on the website](#) to receive information about future involvement. We will keep you informed about upcoming community activities and we invite your [feedback and comments](#) about what you are seeing and hearing as well.
