

Vital Signs Update: February 2014

Thank you for expressing interest in Lincoln Vital Signs. We were pleased with the attendance at our breakfast meeting, the *Lincoln Journal Star* editorial and the positive feedback we have been receiving about the study and the information it provides.

Channel 5 City TV recorded the January 23 breakfast program. [Click here](#) to view it.

Have you taken some time to review or download the full report on the website, www.lincolnvitalsigns.org? There is much more information in the full study than what could be shared in the newspaper insert. We encourage you to learn more and discuss the findings with your friends. Please share [feedback, comments](#), or how you are using Lincoln Vital Signs.

Community discussions will take place later this spring and we will keep you informed of when they are scheduled. Let others know they can sign up to participate also at www.lincolnvitalsigns.org.

We appreciate your interest in helping Lincoln continue to grow, prosper and be a great city for everyone who lives here. We can do this. We are Lincoln.
